SUMMARY

Hardworking and motivated **CSE** graduate with practical experience in **Python, Django, SQL**, and basic **web development**. Comfortable in building simple applications, debugging code, and working with **databases**. Learns new tools quickly and adapts well to project needs. Looking for an entry-level role as a **Python Developer** or **Software Developer** where I can apply my skills, improve through real-world experience, and contribute to meaningful projects.

TECHNICAL SKILLS

- **Programming:** Python, Java (Basics).
- **Web Development:** HTML, CSS, JavaScript.
- **Frameworks:** Django, Django ORM, REST API.
- **Database:** MySQL, SQL Queries, CRUD Operations .
- **Tools:** Git, GitHub, VS Code, Postman, IDLE.
- **Core Concepts:** OOPs, Data Structures & Algorithms (DSA), SDLC, Code Debugging & Optimization.

INTERNSHIP

Python Fullstack Development Trainee | Qspider

April 2025 - Current

- Currently learning **Python, Django, HTML, CSS, JavaScript**, and **SQL** as part of **full-stack training**.
- Studying **Django Framework**, Django **ORM**, **REST APIs**, **CRUD** operations, and backend concepts.
- Learning responsive UI development using **HTML, CSS, JavaScript**, and **Bootstrap**.
- Strengthening **database** knowledge: **SQL** queries, **joins**, **normalization**, stored procedures.
- Practicing **Git, GitHub, Postman**, debugging basics, and clean **coding principles**.

PROJECTS

Article Management System Project

Aug 2025 - sept 2025

- Built a simple article management system using **Python, Django**, and **SQL**.
- Added basic **CRUD** features for creating and managing articles.
- Used Django **ORM** and a minimal **HTML/CSS** interface.

Valorant Fan Website | HTML , CSS

Mar 22025 - April 2025

- Created a responsive Valorant website using **HTML** and **CSS**, featuring interactive layouts, animations, and clean design. This project improved my **front-end skills** and gave me practical experience in building visually engaging web pages.

EDUCATION

BTECH in Computer Science and Engineering

May 2021 – Aug 2025

Ramgovind Intitute of Technology | Koderma

Intermediate in Science

Mar. 2018 – Aug 2020

UPGRADED +2 S S High School | dhanwar

10th

Mar. 2016 – Aug 2018

SMT J D A Girls High School | dhanwar
